

Hi. We've been looking for you!

We're hiring a **producer!**

About us:

Attaboy! Films is an independent production house based out of Hyderabad. We work on helping brands build their presence through videos. In the past couple of years, we have worked on advertisements, product promotions, corporate films, CSR films and many more for clients like ITC, Tata, Prestige, Shopmatic, Castrol etc. We're looking to add a full-time producer to our small team.

You can read more about us and our work on <https://www.attaboyfilms.in/>

About the Role:

The producer will be expected to handle a project from start to finish. He/she will be expected to handle budgeting and quotations for the clients, shoot logistics, post production and delivery of the final product while keeping in mind the quality standards of Attaboy! films and co-ordinating with the director.

Candidate Requirements:

- Based full time out of Hyderabad
- Preferably some experience as a producer with an existing production house or independent artists
- Strong communication skills (Preferably fluent in Hindi, Telugu and English)

If you think you fit our requirements and we fit yours, please write to us at
